HOW XCEL HIGH SCHOOL SPRING LEAGUE WORKS:

Please understand that these plans may change depending on the number of teams that enter.

- Current plans allow for each team to play at least 2 matches per night.
- Each team must supply their own coach.
- **May include Parent, Senior (not playing), ex-player, or any other adult representative.
- Registrations are accepted on a first-come, first-served basis.
SO PLEASE GET YOUR REGISTRATION FORMS IN EARLY.
- The proposed format is a combination of pool play and bracket play with awards to the top teams.
- One **libero jersey** will be issued per team. You must include the size of the jersey needed on the team registration sheet.

Included in this packet, you will find the following:

- **Xcel Team Registration Form** – This form needs to be completed for each team to compete in the **Xcel Spring League**. If you are putting together a team from your school, you are strongly advised to have at least 8 players, but no more than 12.
- **Xcel Waiver and Release Form** - Each participant in the Xcel Spring League must have a Waiver and Release Form completed and signed along with their \$60.00 fee per person. Each participant registered will receive an Xcel Spring League uniform tee shirt. Feel free to copy this form as needed for each participant. ***Checks should be made out to Xcel Volleyball. All payments are non-refundable.***
- **Xcel Volleyball Spring League FAQ** – Just a few things that everyone needs to know about for Summer League.
